

2012 Group Cares Camp - Brandon, MN Homeowner Repair Assistance Application

Group Cares Camp is an intensive one-week trip that helps people grow in the Christian faith through service. Youth and adults from around the US will spend one week in our communities performing hands-on home repair projects for elderly, disabled, and/or single parents with low income.

Each home site will consist of 4-5 youth and at least one adult leader. Site writers will visit your home prior to the WorkCamp and help with identifying repairs and materials needed for your specific project. **Eligible households must be within 30 miles driving distance of Brandon, MN.** Eligible repairs are “basic” home repair and are listed with this application on the following page.

Both labor and materials will be free to qualifying households. Households receiving assistance must agree to provide water, electricity for tools, a restroom for the workers as well as providing an adult in the home the week of the repairs.

You will be contacted this spring about the status of your application. At no time can we guarantee that work will be completed on your home. Please complete the following questions and return your application to the following address: Attn: Heather T., WCMCA, Inc., 411 Industrial Park Blvd., Elbow Lake, MN 565331 or via e-mail to heathert@wcmca.org.
